

# HABITAT HERO

**Each week we are featuring one of our core ReStore Volunteers. What follows are the responses to a set of questions we are asking each of the volunteers: Our hope is that this will allow you to get to know our volunteers better.**

First name

**Sande**

What is/was your work experience? Are you now retired?

**Retired state employee - Ohio State Fair**

What hobbies do you have and where do you live (town only .. no addresses)

**Creston is where I live, unless I'm at the library!**

What other community activities have you been involved in? Do you hold any elected office?

**Attempted to run for city council last year, but otherwise I help with the Creston Car Show over Labor Day Weekend**

What department do you spend the most time in at the ReStore? Do you have other areas that you work in?

**Housewares, Lawn and Garden, Paint, Light bulbs and of course the Register on Saturday**

Do you volunteer at the ReStore other than on Saturdays? If so, what are your duties during the week?

# HABITAT HERO

**I come in twice a week to help restock, clean the store, and merchandise items on the upper levels of the store**

Roughly, how many hours per month do you think you volunteer at the ReStore?

**Anywhere from 74 to 80 hours**

What do you enjoy most about volunteering at the ReStore?

**Talking with customers; working with fellow volunteers**

The proceeds from the ReStore support the construction activities of Habitat for Humanity, Medina County. A continued source of dedicated volunteers is the life-blood of this organization. What can we do to insure that we are able to continue to find quality, long-term volunteers?

**Maybe through the various contractor's apprentice trades? There is one for Plasterers and Cement Masons, Carpenters, and so on in Ohio. We used them at the Fair**

What changes would you suggest to make the ReStore a better experience for Customers and Volunteers?

**Just have more help on hand to assist customers. I am a strong believer that the more help on the floor, the more we'll sell.**
